HURRICANE HARVEY INFORMATION

We appreciate the gravity of the situation in Texas and surrounding areas and our thoughts and prayers are with those affected by Hurricane Harvey. During a time like this, we naturally feel a sense of panic, confusion or uncertainty when it comes to our families and businesses. Remember this is a temporary state and there is always a light at the end of the tunnel.

Here at Condon & Company we hope all of our clients and their families are safe, dry and out of harm's way. Thankfully, our firm members successfully weathered the storm and are back in the office ready to address any of our clients' concerns.

We are providing important and up-to-date information on our website regarding tax relief and any personal or business casualty losses you may have sustained.
